

# LUXES WALL FINISH

Product Profile

# Introduction

Luxes Titanium Wall Finish by GB Coatings is a premium decorative coating crafted from cement, water-based resin, additives, and mineral pigments. Designed for both interior and exterior applications, it offers a luxurious finish with high resistance to temperature variations.

Ideal for surfaces such as walls, ceilings, columns, beams, and even swimming pools, it caters to both residential and commercial spaces, including industrial buildings, hotels, and restaurants.

The product allows for a variety of textures and colors, enabling personalized architectural designs.
