- Dairy & Beverages
- Edible Oils & Commodities
- Nutraceuticals & Supplements
- Textiles, Automotive Components & Industrial Applications

Global Presence

Headquartered in **India**, with operations and strategic subsidiaries across the **Dubai**, **Japan**, and the **United States**.

Company Overview & Leadership

- Origins & Partners**
Founded in 2011, YNP Ingredients Pvt. Ltd., was established by **Mr. Pravin Sinha (Founder)**, an engineer with expertise in plant commissioning and advanced water-treatment solutions, including RO systems for medical applications. His technical background laid a strong foundation for operational excellence, process discipline, and product quality.
- Strategic Partner – Japan**
In 2016, **Mr. Sahil Chanda (Partner)** joined YNP Ingredients Pvt. Ltd. A Chartered Accountant with cross-industry experience across textiles, petrochemicals, automotive components, and manufacturing, he strengthened the company's financial governance, compliance framework, and strategic growth planning.
- Expansion & Growth**
In 2018, YNP Ingredients Pvt. Ltd. entered into a strategic, investor-backed partnership with a Japan-based trading organization with over a century of legacy. This collaboration strengthened quality assurance systems, expanded access to Japanese ingredients and advanced technologies, and enabled scalable international supply-chain operations.
- Mentors & Advisors**
YNP Ingredients Pvt. Ltd. is supported by senior mentors with 20+ years of international trade and procurement experience, contributing deep expertise in edible oil sourcing, petcoke trading, automotive components, and partnerships with leading Indian FMCG companies.
