We Provide valet parking services for commercial, Industrial and Residential premises where customers vehicles are parked for them by our expert drivers.

FACILITY MANAGEMENT SERVICES

A-One Group is one of the leading businesses in the facility management services. We provide integrated solutions to our clients by combining all our services under one roof. We relieve our Clients/Management completely by providing the best services like Security Services, House-keeping Services, Electrician, Plumber, Carpenter, PEST Control, Fire Marshall, Lift-Operator, Driver etc. We Give Consultancy on Property Disputed Matters.

RECRUITMENT & VERIFICATION

Management is always looking for a dynamic staff. Each of our staff before deployment undergoes our in-house verification process. Our team scrutinizes their documents, family background, previous job details, contact details & other essentials for verification. On successful completion of our in-house verification procedures, we finally enrolled the staff in our company on pay roll and then as requirement we initiate for Police Clearance Certificate (PCC) & Training Process.

TRAINING PLACEMENT

Each of our staff undergoes in-house training Program as per their job profile (for example security trainity as per “PSARA” Act) wherein, they are trained for physical grooming and mentally preparation for daily rigorous job and finally enrolled in our company pay. If Required then we send them to Registered Training Academy where they get trained as per job profile. After Deployment at site, our operation team completes all the client-based documentation required at the site and gives job training as per the Client and site requirement. **Recruitment, Verification, Training & Operation Process done under the guidance of Ex-Service men, Retd. Police Officers and well-Trained Civilians Team.**

A-ONE VISITOR MANAGEMENT

Features of **Visitors Management App** are listed below:

1. OTP based solution for verifying visitor's mobile number.
2. Once the visitors' entry is registered, their mobile numbers are hidden from the security guard's app.
3. Multi Lingual on Guard App- English, Marathi, Hindi.
4. Speech to Text Guard App- Speech to Text for easy entry of Visitor details for guards who are inefficient in typing.
5. Broadcast Management for all the registered flat owners of the society.
6. Suggestion Management –One to one communication between client and security agency owner and site in charge regarding the services provided.
