# ***ABOUT THE LEADERS***

- ▶ Ventilair Engineers is a company which is always inspired by new techniques and growth. Starting from 1998, we have reached at this level only because of the hard work of our managing director, **Mr. PAWAN SHARMA** & another Director **Mrs. NIKUNJ SHARMA**. Both are an inspiring personality with an attitude of learning all life they believes in working effectively and efficiently. Under their leadership, we have learned a lot. He believes that his employees are not working under him but with him. Under the valuable guidance of our Managing Director, '**Mr. Pawan Sharma**, we have been able to garner huge clients from varied parts of the world. His vibrant skills, leadership quality, and managerial abilities have added to create a great niche in the MARKET. He is a dynamic personality.

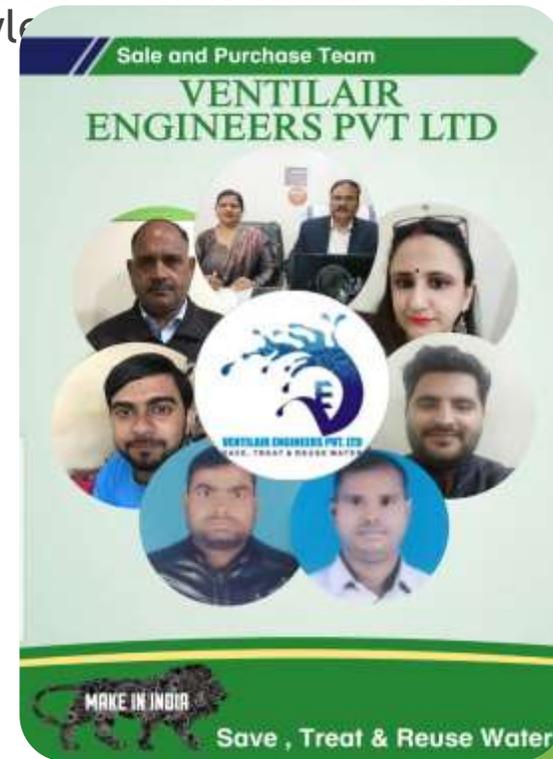

# Our Team

- ▶ We are assisted by a team of well-qualified professionals and qualified professionals, who aid us in the smoother execution of all the organizational activities. All these professionals are appointed by us only after they had cleared all the recruitment tests conducted by us. These professionals hold in-depth knowledge of the industry and are specialized in their respective field. All the professionals associated with us work in complete coordination with each other and maintain a healthy environment in the company. Our professionals strive to attain maximum satisfaction of our clients and thus maintain a good relationship with our clients for flawless consignments with our creating confusion.

Our team includes:

- ▶ Mechanical engineers
- ▶ Site engineers
- ▶ Chemical Engineers
- ▶ Service engineers
- ▶ Quality assurance engineers
- ▶ Sales & marketing professionals
- ▶ Skilled workers

# *GOALS AND STRATEGIES*

- ▶ Short Term Goals - Use the quality of our product & servicing and advertising to soon become well known
- ▶ Long term Goals - Expand the business to other locations.

# Our Vision

- ▶ To be a globally respected high performance organization offering sustainable solution in environment. Environment consciousness has been at the core of our products and services offering.

# Our Philosophy

- ▶ To provide a growing number of people with access to clean drinking water, as well as to secure environmentally- compatible disposal of municipal and industrial wastewater. We are committed to contributing in a sustainable manner to enhanced quality of life.
- ▶ The success of our efforts helps secure one of earth greatest treasure, the very basic of life -  
Water
