**COMPANY INTRODUCTION**

# MAHESH INDUSTRIES

**SURPASSING STANDARDS, EXCEEDING EXPECTATIONS**

## COMPANY INTRODUCTION

**MAHESH INDUSTRIES** is a Partnership Firm, incorporated in 1955 is one of India's leading an ISO 9001-2008 certified & IBR approved Manufacturer for all types of Plate & Forged Flanges. We manufacture Forged Carbon Steel, Alloy Steel, Stainless Steel and Mild Steel Flanges, with interest spanning the core sectors of industry - Power, Oil, Gas, Hydrocarbons, Petroleum, Water, Chemicals, Chemical Fertilizers, Petrochemicals, Nuclear, Alumina, Paper & Pulp, Sugar, Cement, and Breweries etc. We offer best quality of flanges that are used to mechanically connect pipes, valves, pumps or any other piece of equipment to form a piping system. These flanges are made from highest grade of material that are corrosion resistant and substantially reduce the cost of wear and tear even under extreme conditions of temperature and pressure. Our range of flanges including Welding Neck Flanges, Slip on Flanges, Socket Weld Flanges, Lap Joint Flanges, Threaded Flanges, Blind Flanges, Reducing Flanges, Orifice Flanges etc., are available in variety of dimensional, material and technical specifications, so that clients have the option to get the flanges that best suit their application requirements.

We strongly believe in efficient services, we always maintain ready to deliver stock, meeting even the bulk requirements of our clients, within the shortest possible lead time. And in order to serve our clients on a consistent basis, we have a full fledged Shop floor with efficient inventory management system and trained staff.

Customer Satisfaction is our prime motto and therefore we are serving today more than 200 Customers in & around India satisfactorily. Kindly give us an opportunity to be associated with your esteemed Organization & experience the pleasure of business with Mahesh Industries.

# MAHESH Industries

Leading Manufacturers of all Kinds of Steel Flanges

## Introduction

The Range Includes :

Weld Neck

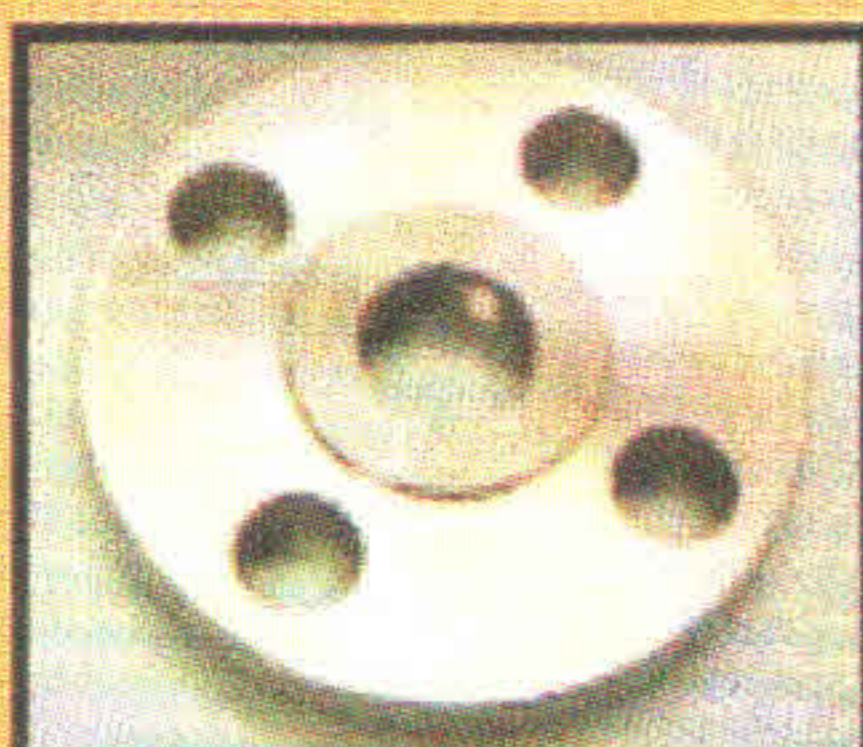

Long Weld Neck

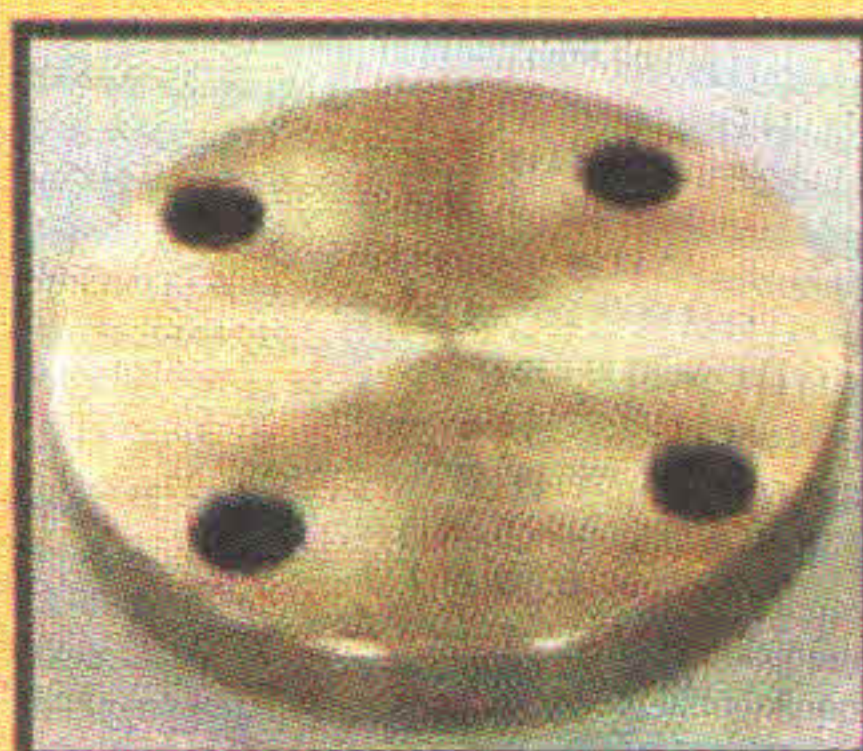

Slip On

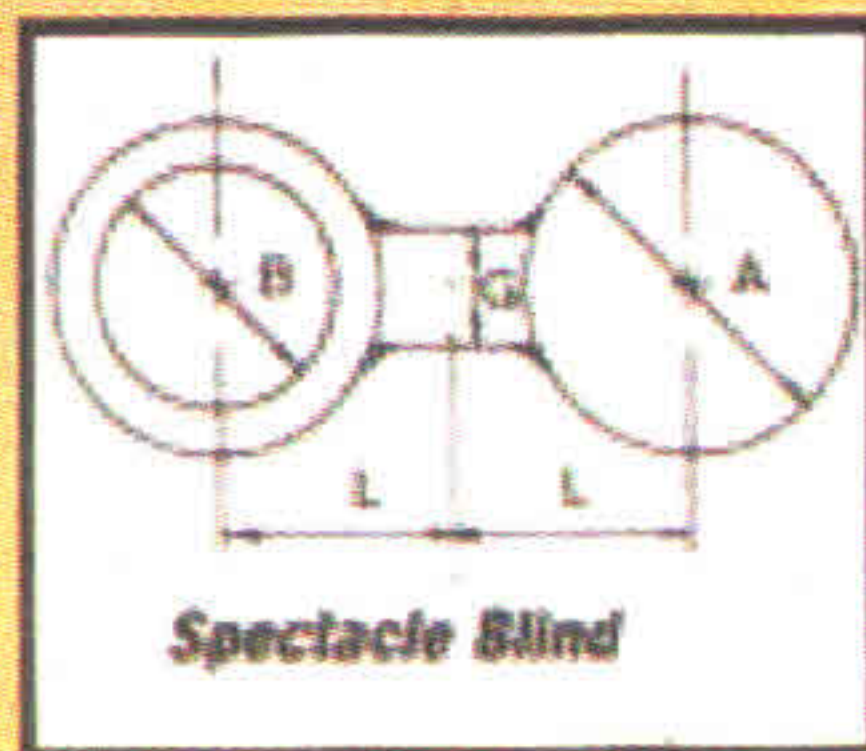

Socket Weld

Threaded

Blind

Spectacle Blind

Lap Joint

**Mahesh Industries** is one the leading manufacturers of various **Forged Carbon Steel, Alloy Steel, Stainless Steel, & Mild Steel Flanges**. We are catering to the needs of various chemical, petrol-chemical, paper, cement, Breweries & other industries as well as international clients throughout the globe with or without the inspection of third party arrangement. Our product are approved under **Indian Boiler Regulation (IBR)**.

At **Mahesh Industries** we are dedicated to manufacturing world class quality product at competitive prices which ensures total customer benefit. This has been a mission pursued with undiluted vigor to gain the company acceptance from topmost users in every application sector.

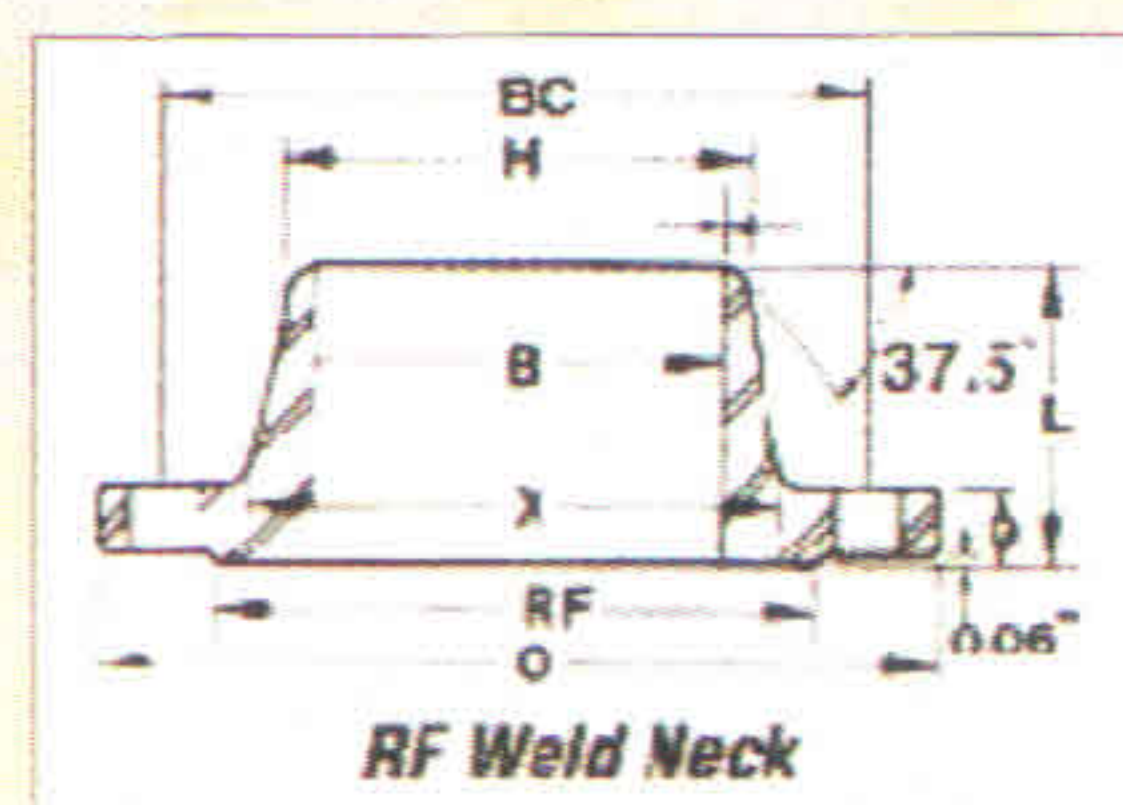

This has become possible through the development of an identity, which is based on an integrated approach involving a wide range of products, superior technology, speedy deliveries, competitive prices & an excellent infrastructure.

**Mahesh Industries** has plans to increase its capacity & expand its range of manufactured sizes in the near future by installing bigger forging hammers, presses & other ancillary machinery. The company also has plans to set up manufacturing facilities for other piping components.

## Product Range

### 1) Weld Neck . Slip-On, Blind & Lap Joint Flanges :

Size ½" to 36" (150 & 300 #)  
Size ½" to 20" (400 & 600 #)  
Size ½" to 18" (900 #)  
Size ½" to 16" (1500 #)  
Size ½" to 12" (2500 #)

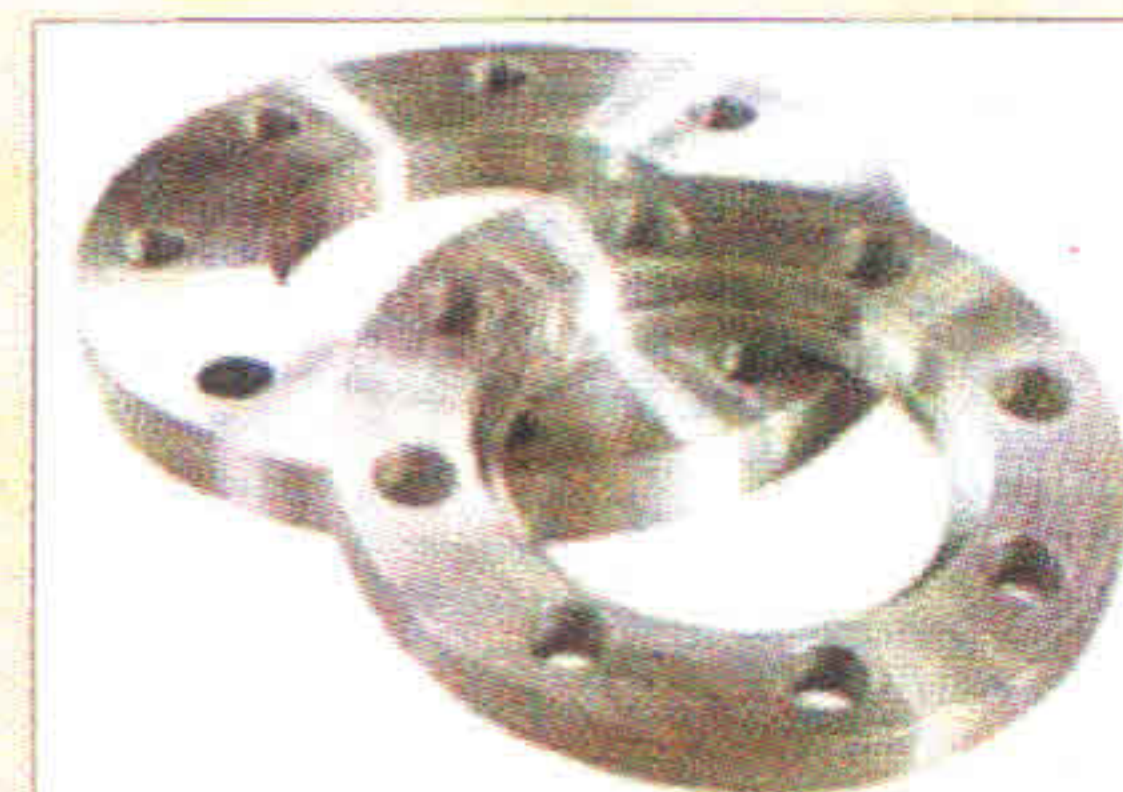

### 2) Screwed Flanges :

Size ½" to 6" (150 to 2500 #)

### 3) Flanges as per DIN / BS 4504

(All types PN 6, 10, 16, 25)  
NW 10 to 600  
(All types, PN 40, 64)  
NW 10 to 500  
(All types, PN 100, 160)  
NW 10 to 500

### 4) Orifice Flanges as per B 16.36

Weldneck, Slipon Threaded 300 #  
Size 1" to 16"  
Weld neck Raised Face & Ring Joint Type  
400 to 600 # Size 1" to 16"  
900 to 1500 # Size 1" to 10"  
2500 # Size 1" to 8"

### 5) Flanges as per BS 10 : 1962

Table A to T (All types)  
Sizes ½" to 60"

### 6) 0.5 in up to 60 in nominal bore.

Pressure ratings up to 2500lb  
ANSI / 10 000lb API .

### Specials Rings

### SPECIFICATIONS

Dimensional Standards  
ANSI B 16.5  
BS 1560  
BS 3293  
MSS SP 44  
DIN  
API 6A Types 6B and  
API 605

### Material Standards

Carbon Steel  
ASTM A105 normalised and  
ASTM A/ 181

### Low Temperature Steel

ASTM A350 LF1, LF2,  
LF3 and LF4.

### Alloy Steel

ASTM A 182- F1, F5, F9,  
F11 and F22.

### Stainless Steel

ASTM A 182- F304, F304 L,  
F316, F316 L  
and F321.

### Plate Flanges

IS 226, IS 2062, IS 285  
Gr. C IS 2002,  
ASTM 515 / Gr

### Super Alloys

Monel.
