WHO WE ARE

About Cordium Pharma

Cordium Pharma is a leading pharmaceutical exporter and manufacturer based in Nagpur, India. We are dedicated to improving patient outcomes worldwide by supplying quality medicines, oncology treatments, cardiology drugs, and specialty pharmaceuticals to hospitals, distributors, pharmacies, and healthcare providers globally.

Headquartered at Shiv Nagar, Godhani Road, Nagpur, our operations are built on scientific excellence, ethical business practices, and an unwavering commitment to patient safety. From anti-cancer therapies to cardiology medicines and general healthcare products, we cover a wide spectrum of therapeutic needs.

As a trusted pharma company in India, we serve clients across the USA, UK, UAE, Canada, Australia, Singapore, South Africa, and beyond – ensuring every product we export meets international quality benchmarks and regulatory standards.

OUR MISSION

To make high-quality, affordable pharmaceutical products accessible to patients and healthcare providers worldwide – through reliable supply, ethical practices, and unwavering quality assurance.

OUR VISION

To become India's most trusted pharmaceutical exporter – recognized globally for innovation, quality, and the ability to deliver life-saving medicines to every corner of the world.

OUR VALUES

Quality · Integrity · Innovation · Reliability · Patient-Centricity. Every product leaving our supply chain carries these values at its core.
