Healthy Air. Healthy Profits.

- Welding Fumes Extractors for Manual Welding Booths
- Robotic Weld Cells Fume Extractor systems
- Portable Welding Fumes Extractors
- Oil Mist Collectors for Sliding Head Machines
- Oil Mist Collectors for Gear Grinding / Gear Hobbing Machines
- Oil Mist Collectors for Universal & 5 Axis CNC Grinders
- Oil Mist & Fumes Collectors for Cold Forging (Nut/Bolts making ) Machines
- Oil Mist Collectors for VMC's and HMC's
- Oil Mist Collectors for Sawing Machines
- Fumes Extractors for Induction Heating Machines
- EDM Fume Extractors
- Fume Extractors for Laser Marking Machines
- Soldering Fumes Extractors
- Centralized Fumes Extraction System for Welding Lines
- Electrostatic Dry Scrubbers for Industrial / Commercial Kitchens
- Cartridge Type Dust Collector
- Downdraft Tables

# A. Clean Air Solutions for Welding Fumes

# 1. Fume Extractors for Manual Welding Stations

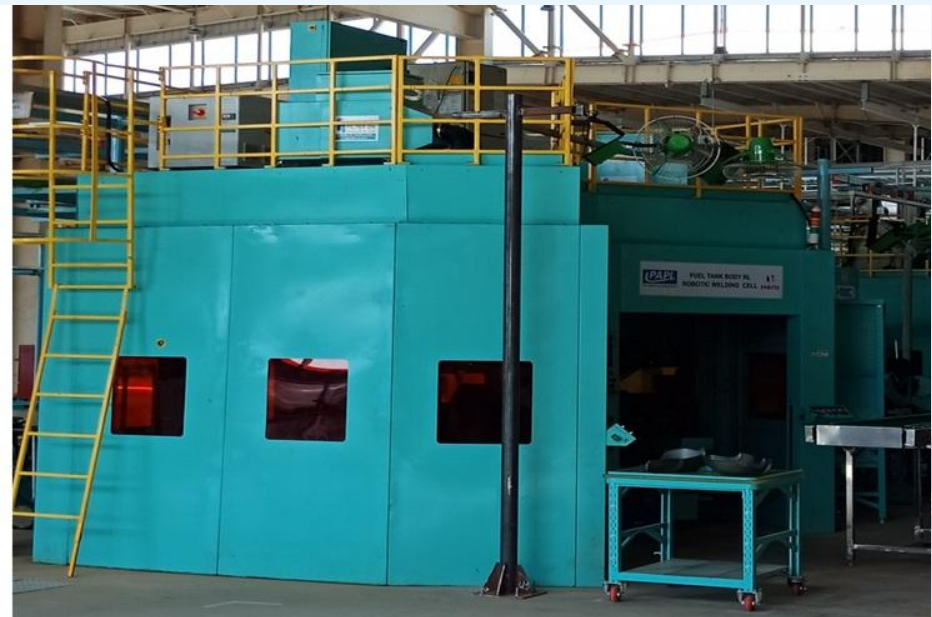

M-02/1K & M-02/2K

M-02/4K

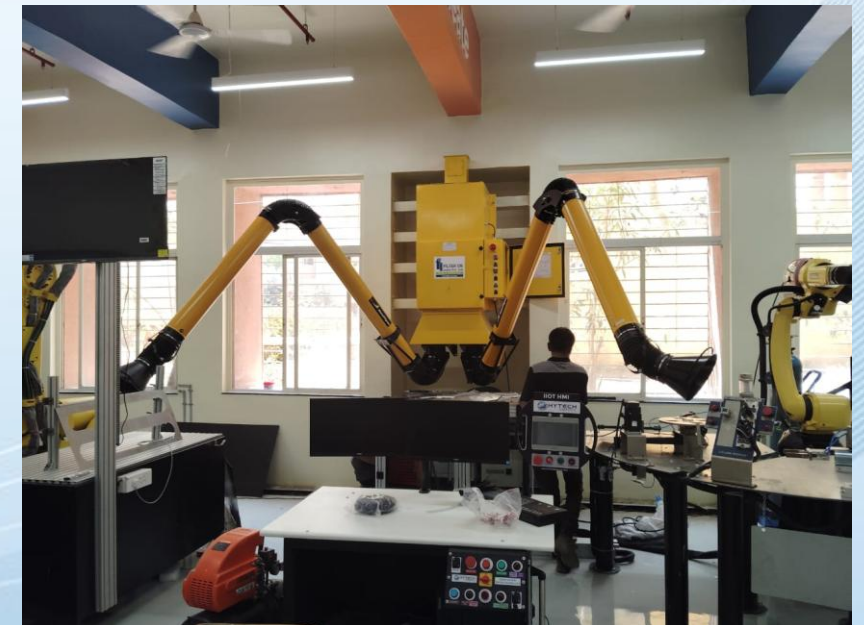

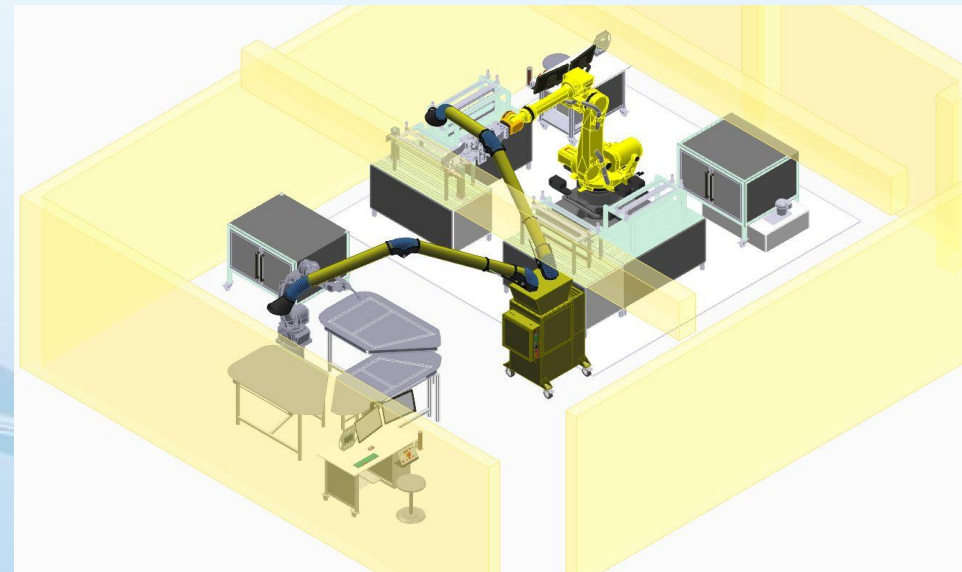

# 2. Fume Extractors for Robotic Weld Cells

M-02/4K

# 3. Portable Welding Fume Extractors

## 4. Centralized Welding Fumes Extraction Systems

# 4. Centralized Welding Fumes Extraction Systems

# 4. Centralized Welding Fumes Extraction Systems

Healthy Air. Healthy Profits.

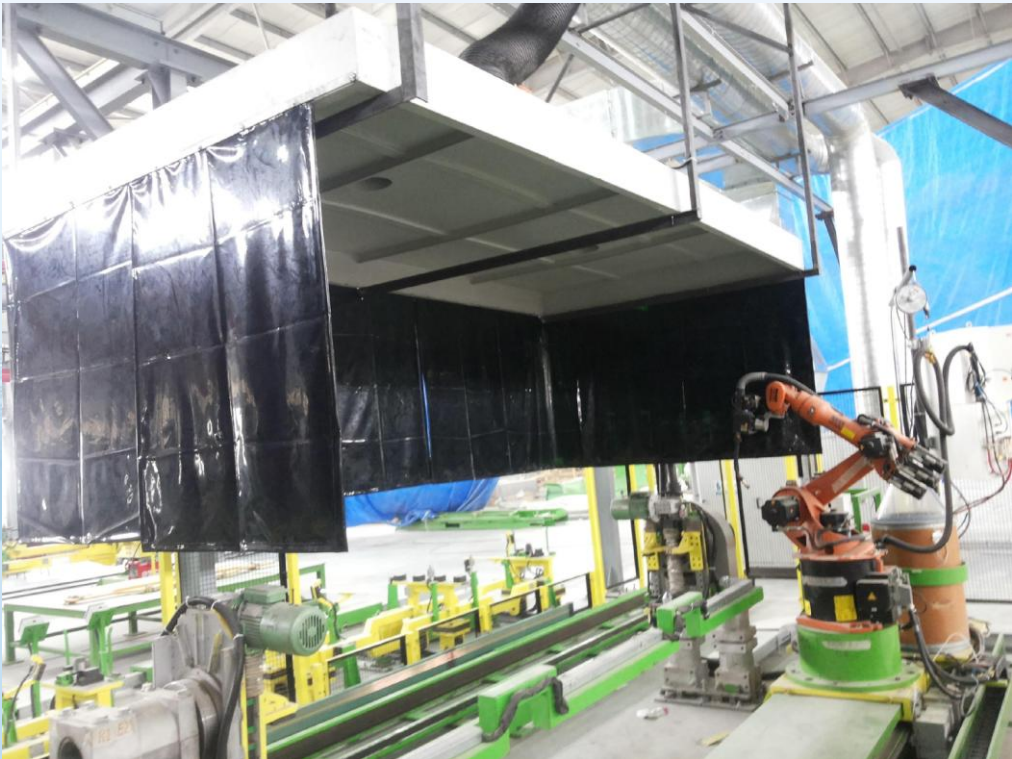

# 4. Centralized Welding Fumes Extraction Systems

Healthy Air. Healthy Profits.

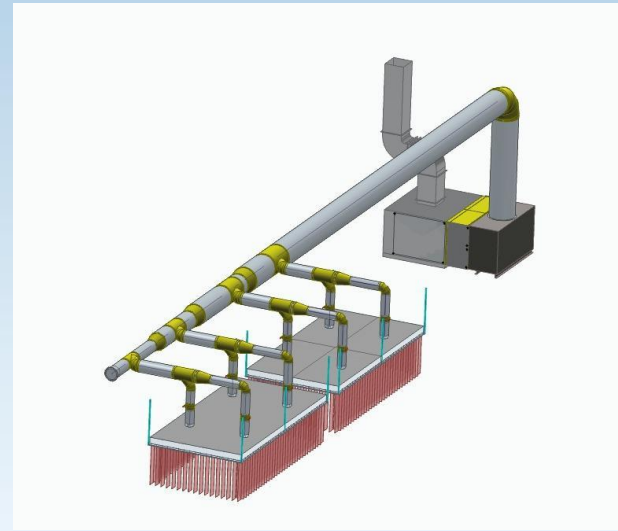

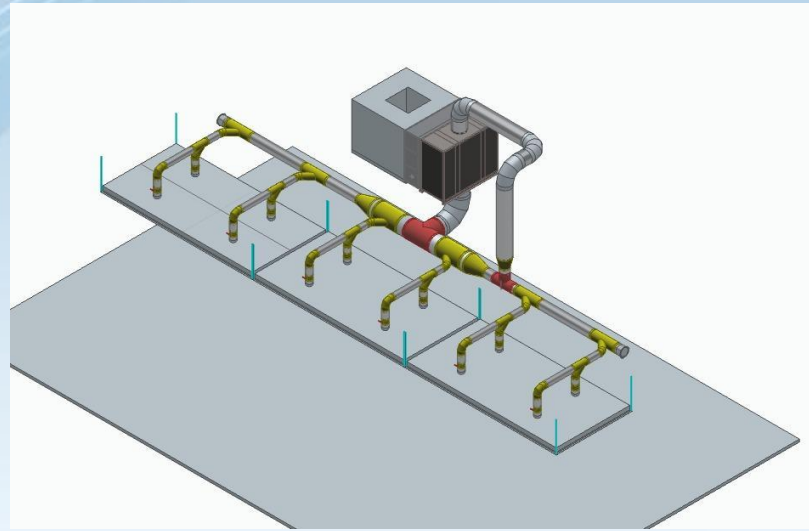

# 4. Centralized Welding Fumes Extraction Systems

Healthy Air. Healthy Profits.

# 4. Centralized Welding Fumes Extraction Systems

## B. Clean Air Solutions for Oil Mist in CNC Machining

# 1. Oil Mist Collectors for Sliding Head Machines

# 2. Oil Mist Collectors for 5-Axis Grinding & Tool Cutter Grinders

Healthy Air. Healthy Profits.

# 3. Oil Mist Collectors for Gear Grinding, Gear Hobbing & Honing Machines

Healthy Air. Healthy Profits.

# 4. Oil Mist & Fumes Collectors for Cold Forging (Nut Bolts mfg.) Machines

Healthy Air. Healthy Profits.

# 5. Coolant Mist Collectors for VMC & HMCs

Healthy Air. Healthy Profits.

## C. Other industrial Applications

# 1. EDM Fume Extractors

# 2. Fume Extractors for Laser Marking Machines

Healthy Air. Healthy Profits.

# 3. Solder Fumes Extractors

Healthy Air. Healthy Profits.

## D. Electrostatic Dry Scrubbers for Kitchen Fumes Filtration

**FILTERON**

Healthy Air. Healthy Profits.

# 1. Electrostatic Dry Scrubbers for Kitchen Fumes

FILTERON range of Electrostatic Dry Scrubbers for Kitchen Fumes come in four standard stackable models. Any air flow capacity unit can be built. The units are shipped in assembled conditions ready to install on site.
