What if you could
smell a scent,
as unique as
a snowflake...

or a *flavour* that
takes you on a
new journey?

welcome to
our world where...

creativity
meets
innovation

Flavours & fragrances are all around us

From the *minty* freshness of a toothpaste to the *calming* vibe of a lavender shower gel. From the *richness* of freshly brewed coffee to the *tranquillity* of chamomile tea. Everything we eat, drink, apply or use is packed with tastes and smells that evoke *emotions* and *memories*.

At Khattri, we love creating more memories by innovating fresh flavours & fragrances. We bring over six decades of experience as one of India's leading speciality Fragrances & Flavours company. Our aim is to take people on a delightful journey of the senses.

Join us,
won't you?

Deep Expertise

Khattri is one of India's leading and largest specialty Industrial Fragrances and Flavours company. Our legacy spans 60 years. With time, our wisdom has multiplied, so has our list of happy clients.

Customised Solutions

We work with every client to curate unique flavour or fragrance profiles that cater to their need. We know one size does not fit all!

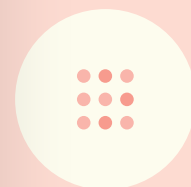

Human-to-Human (H2H) Approach

We sell what you want, not the other way around. We believe in an "H2H" approach rather than B2B/B2C. Our team is with you from design to delivery.

Cutting-Edge Technology

Our advanced machinery operate without any human intervention and adhere to the latest technical standards. Operated by a highly skilled workforce, our technology delivers accuracy, quality checks, speed and efficiency.

Constant Innovation

We search, research, develop and redevelop. R&D is an ongoing process at Khattri, by staying atop global market trends.
