**COMPANY PROFILE**

Lighting Solutions  
**SINCE 2005**

## ABOUT US

Welcome to **Nucleo LED Light**, your trusted partner for cutting-edge lighting solutions since 2005. With nearly two decades of expertise, we've grown to become a recognized leader in the lighting industry.

At Nucleo, we blend innovation with precision to offer lighting that does more than just brighten—it transforms, enhances, and inspires. From minimal residential setups to expansive commercial installations, we deliver lighting that meets diverse functional and aesthetic needs.

## OUR MISSION

To craft intelligent lighting systems that elevate spaces and experiences with reliability, quality, and style.

## WHY NUCLEO

**Industry Leader**  
Since 2005

Precision-crafted, **high-performance** products

**Wide product range** for all applications

**Trusted by Professionals & End Users Alike**

**Focus on Innovation & Customer Satisfaction**
