

Importer & Manufacturer of Hot Fix & Textile Machine

PAPERLESS RHINESTONE TRANSFER MACHINE

FEATURES :

- Rhinestone transfer on fabric without uses of HEAT TRANSFER PAPER.
- High production, Low Maintenance, Easy change Die, Save Labour Cost, Fully Automatic Feature.

SPECIFICATION :

- **Power Supply :** AC220V 50/60Hz, Single Phase
- **Speed :** 12Hour = 1800 - 2000 Saree
- **Maximum Working Width :** 1550mm (60inch)
- **Die Length :** 2.10 to 6.50 Mtr
- **Stone Size :** SS6 TO SS16
- **Weight :** 580kg

FUSING MACHINE

FEATURES :

- It's A Special Purpose machine for the Rhinestone transfer to fabric with heating and pressure.
- suitable for All kind of fabrics.

SPECIFICATION :

- **Width :** 1600mm
- **Temperature :** 0-200°C
- **Heater :** 6 and 9 Heater
- **Wight :** 800kg
- **Power Supply :** 420V/ 3phase/ 18-27KW

Importer & Manufacturer of Hot Fix & Textile Machine

JARKAN SHAKING MACHINE

FEATURES :

- Making sticker of JARKAN, RHINESTONE (PP/DMC), NAIL HEAD, MOTI, PIPE(VAL).
- Used in Textile, Saree, Jewellery, Bangles, Shoes and Leather Industries.
- Automatic Feature save Time and Labour.

SPECIFICATION :

- **Capacity :** 4-5 sheet/Min
- **Stone Size :** SS6 - SS16
- **Power supply :** single phase, 1800Watt
- **Vacume pump :** 1600W - 25Ltr

JARKAN GUMMING MACHINE

FEATURES :

- It is used for glueing of JARKAN, MOTI & PIPE(VAL).
- Used in saree, shoes and bangals industries.

SPECIFICATION :

- **Working Width :** 21inch
- **Roller :** 85mm SS
- **Belt Length :** 180inch
- **Motor :** DC motor for High speed & High Torque
- **Power Supply :** Single Phase
