# Designed. Built. Perfected. by Takahe

## Reasons to choose a “Takahe” Product

- Manufacturing -** Since 1994
- Manufacturing Facility -** State of art Assembling and Testing facility
- Consistent Quality -** Detailed Protocols Designed for Consistency
- Quality Control -** Rigorous Test Protocols for every instrument
- Innovation -** Customer feed-back based Innovation
- Certification -** ISO 9001:2015
- Ethics -** Technical Sales Support
- After Sales Support -** Experienced team of skilled engineers
- Customer Interface -** Seamless Purchase experience! From Application Product choice, Installation, Training, Documentation.

***We don't sell products — we empower your process with  
precision and care.***

## Nitrogen Evaporators & Concentrators

**Min eVap for 15 samples  
(Low Volume 1-15 ml)**

**SpeedoVap LV for 30 to 50 samples  
(Low Volume 1-30 ml)**

**SpeedoVap HV for 9 to 15 samples  
(High Volume 50-250 ml)**

**Speedo Vap OEP for 6 samples  
(30-250 ml Automatic Optical End Point)**

**Speedo Vap LX for 30 - 50 samples  
(Low Volume 1-30 ml)**

**Bio eVap OP for 100 samples  
(Low Volume 1-12 ml)**

continued...

## Nitrogen Evaporators & Concentrators

(...continued)

**Bio eVap HC for 144 samples  
(Low Volume 1-12 ml)**

**Bio eVap DP for 144 Samples Dual  
Pressure (Low Volume 1-12 ml)**

**Bio eVap UHC for 210 Samples  
(For 4 ml Ria Vials)**

**Bio eVap LX for 144 Samples  
(Low Volume 1 – 12 mL)**

**Duo eVap Well-plate Evaporator  
(Single 96 Well Plate)**

**Dual Duo eVap Well-plate Evaporator  
(Two 96 Well Plate)**

## Solid Phase Extraction

**144/96/48 speX Series**

**Negative Pressure 12/24/144**

---

## Nitrogen Generators

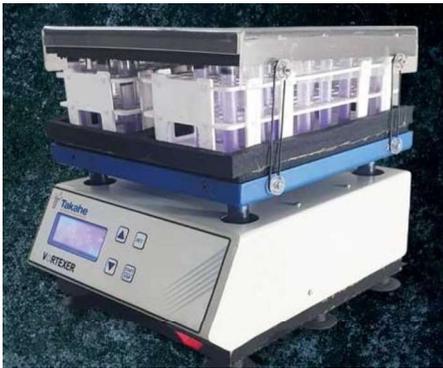

**Nitrogen Generator – 300LPM**

**Nitrogen Generator – 600 LPM**

The above shown Nitrogen generators are off-the shelf products.  
We also supply Nitrogen Plant configured as per requirement in the laboratory

## Laboratory Shakers & Mixers

**Multi Tube Vortexer - Auto**

**Multi Tube Vortexer - Manual**

**Incubator Orbital Shaker**

**Reciprocating Shaker**

**Wrist Action Shaker**

**Multi Tube Mixer**

**Multi Tube Disk Mixer**
