Welcome to the world of Tata My Bistro, an offering aimed at bringing a café-like experience to your place of work or play.

Tata Consumer Products has built its business delighting coffee and tea drinkers around the globe. Our coffee legacy can be traced back to 1922 when the estates (part of Tata Coffee), commenced operations. Today we are one of the largest integrated Coffee cultivation and processing companies in the world. We have 19 estates spread over nearly 8,000 hectares in the lush Western Ghats.
