

Zeal-Tech

We provide a wide range of highly sophisticated Vertical Band Saw Machines. We are renowned as one of the prominent sawing machine manufacturer and supplier in India. The machines are manufactured from the premium quality of raw material to ensure its accuracy and high rate of production. These machines provide vibration free cutting that optimizes production & blade life. Easy Operating system, long lasting life and high authenticity are the unique features of these machines.

STANDARD FEATURES

- › Torsion Free Heavy Duty fabricated Structure.
- › Heavy Duty Tungsten Carbide Guide faces with Ball Bearings.
- › Frictional type Wire Brush.
- › Hydraulic blade tension arrangement (Optional).
- › Hydraulic Control Table Movement (Optional).
- › Hydraulic Clamping Arrangement (Optional).
- › Variably frequency Drive (Optional).
- › Automatic Blade stops when Blade Brakes (Optional).
- › Blade Speed controlled A.C. Frequency Drive (Optional).
- › Tilting Table 45 deg RH/LH (Optional).
- › In build coolant tank with Two way cooling(Optional).

Vertical Bandsaw Specification

	100 V2	100 V3	200 V2	200 V3	300 V2	300 V3
Max. Job Height (in mm)	100	100	200	200	300	300
Max. Throat (in mm)	200	300	400	600	600	900
Saw Wheel Dia (in mm.)	360	360	625	625	625	925
No. of Wheels	2	2	2	2	2	2
Work Table Operation	Manual / Hydraulic (optional)	Manual / Hydraulic (optional)	Manual / Hydraulic (optional)	Manual / Hydraulic (optional)	Manual / Hydraulic (optional)	Manual / Hydraulic (optional)
Table Size (L x W in mm.)	400 x 400	600 x 600	700 x 700	700 x 700	900 x 900	900 x 900
Table Tilt RH / LH-(optional)	NA	NA	30 degree / 10 degree	30 degree / 10 degree	30 degree / 10 degree	30 degree / 10 degree
Table Travel (in mm.)	Fixed / 300 (optional)	Fixed / 300 (optional)	Fixed / 400 (optional)	Fixed / 400 (optional)	Fixed / 600 (optional)	Fixed / 600 (optional)
Band Speed (Mtr. / Min.)	20-40-60-80-100	20-40-60-80-100	15-1500	15-1500	15-1500	15-1500
Band Size (L x W x T in mm.)	3760 x 27 x 0.9	3760 x 27 x 0.9	4860 x 34 x 1.1	4860 x 34 x 1.1	4860 x 34 x 1.1	4860 x 34 x 1.1
Blade Tension	Manual / Hydraulic (optional)	Manual / Hydraulic (optional)	Manual / Hydraulic (optional)	Manual / Hydraulic (optional)	Manual / Hydraulic (optional)	Manual / Hydraulic (optional)
Saw Motor (HP)	3	3	5	5	5	7.5
Hydraulic Motor (HP)	1.5 (hydraulic version)	1.5 (hydraulic version)	1.5 (hydraulic version)	1.5 (hydraulic version)	1.5 (hydraulic version)	1.5 (hydraulic version)
Coolant Motor (HP)	0.16	0.16	0.25	0.25	0.25	0.25
Coolant Capacity (in Ltrs.)	40	40	40	40	40	40
But Welder	optional	optional	optional	optional	optional	optional
Supply	440V, 50 / 60Hz, 3 Phase AC	440V, 50 / 60Hz, 3 Phase AC	440V, 50 / 60Hz, 3 Phase AC	440V, 50 / 60Hz, 3 Phase AC	440V, 50 / 60Hz, 3 Phase AC	440V, 50 / 60Hz, 3 Phase AC
Overall Size (L x W x H in mm.)	900 x 700 x 2100	900 x 700 x 2100	1800 x 1750 x 2400	1800 x 1750 x 2400	1800 x 1750 x 2400	1800 x 1750 x 3000
Approximate Weight in Kg.	400	400	1800	2200	2300	2800

All above specification and design are subjected to change without prior notice

We Make Special Purpose Vertical Band Saw Machine as per Individuals Requirements.
