India's No.1 Rechargeable Electronic mosquito bat

www.vanishmart.com

Vanish Mart - Very Smart India's No.1 Rechargeable Electronic mosquito bat

Easy to use Instant Mosquito bat to kill mosquitoes and other small insects.

Features

- ✦ Quick rechargeable
- ✦ Good quality 500 Mamp rechargeable battery.
You can charge more than 500 times life cycle.
- ✦ Easy to use and most perfect and handy design.
- ✦ New technology brings you best facility like fast charging and auto cut for drain.

How to use?

- ✦ **Charge the Mosquito bat 6 Hours for the first time.**
- ✦ Press the yellow button only while using the Mosquito bat.
- ✦ Don't use it when idle. It may create loss of energy.
- ✦ Hit the bat towards the mosquito while flying.
- ✦ Whenever mosquitoes will escape from your mosquito bat, then recharge the bat for 6 - 7 hours.

Caution

- ✦ Don't allow the children to use mosquito bat.
- ✦ Don't touch the Mesh with Metal pieces or power conductive materials.
- ✦ Brushed off the mosquitoes with soft brushes. Don't use the hand.
- ✦ Don't hit the bat in floor or in hard surface to remove burnt mosquitoes.
It may create chances of failure of the product.
- ✦ Don't touch the net immediately after Power off.
Because the charge remains for 15- 20 seconds.
- ✦ Don't use yellow Button when idle. It may create loss of energy.
