# Vrs Roofing Engineering Works

<http://www.vrsroofing.in/>

We are engaged in trading and supplying a vast range of Roofing Materials & Solutions. Also, we are engrossed in providing Roofing Fabrications and Roofing Solutions to our clients in Chennai, Kanchipuram and all over Tamil Nadu.

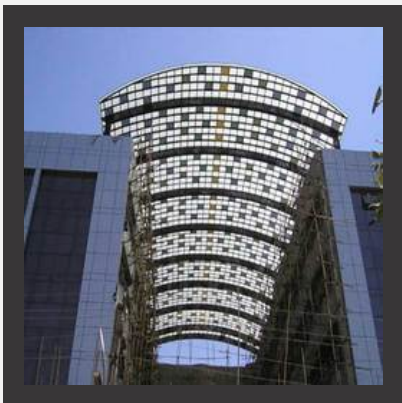

## About Us

**VRS Roofing** came into being in the year **2002** and carved a niche as the leading **Service Provider, suppliers & traders** of the wide range of Roofing Materials & Solutions. Our offered range is inclusive of Roofing Fabrications, Roofing Structures and Roofing Sheet. Apart from this, we are engrossed in rendering Roofing Fabrication and Roofing Solutions to our customers. Our products are highly qualitative and can be availed at reasonable prices. We ensure that the products of best quality are delivered to the clients in timely manner. We ensure that the products offered by us are manufactured from high grade material at the vendors end. Assurance is given by us that the customer's needs are fulfilled in an appropriate manner with the products of best quality. **Mr. R. Sudhagar** (Proprietor) has played a vital role in our success. His knowledge and guidance has enabled us to carve a niche in industry.

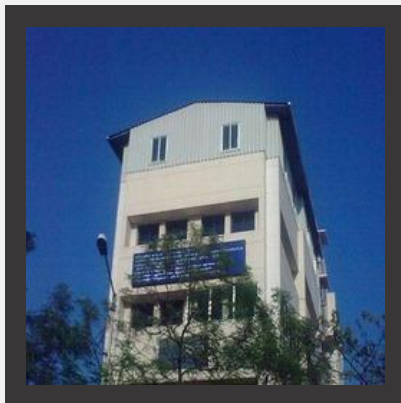

Our team of skilled professionals has played a vital role in our success. Their knowledge and guidance has enabled us to meet the variegated demands of clients in an appropriate manner. These professionals are highly trained and ensure that the work assigned to them is completed in timely manner. Regular skill enhancement programs and other such sessions keep our professionals aware of the trends prevailing in the market. We own a spacious warehouse, where products are stored safely for maximum time duration. Our warehouse is looked...
